

## **Annexure I – Pre-requisites and Examination Structure**

### **Pre-requisites:**

Valid Certification of NISM Series XV: Research Analyst Certification Examination.

### **Examination Structure:**

The examination consists of 50 multiple choice questions of 1 mark each (i.e., for a total of 50 marks).

The examination duration will be 1 hour. Prior to appearing for this exam, the candidate must also go through the pre-recorded training material of around 4 hours duration on NISM portal.

The passing score for the examination is 50 percent (i.e., 25 marks).

There shall be NO negative marking.
