About NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI), the regulator of the securities markets in India. The institute carries out a wide range of capacity building activities at various levels aimed at enhancing the quality standards in securities markets.

NISM sprawling 72-acre campus with a serene environment and state-of-the-art infrastructure at Patalganga (near Mumbai-Pune Expressway) was inaugurated by Shri Narendra Modi, incumbent Prime Minister of India, on December 24, 2016. This scenic campus offers full-time residential academic programmes for postgraduate students, short-term training programmes and faculty development programmes for market participants.

NISM has embarked on a fast-track expansion of its activities, both domestically and internationally, which will position the institute as a leading global player in knowledge dissemination and skills enhancement in the financial market's domain.

The campus boasts of state-of-the-art design, finance library, IT infrastructure, well-equipped classrooms, seminar hall, conference hall, etc. It also has an amphitheatre, ultra-modern auditorium and multipurpose hall, recreation facilities for various activities. The entire campus is Wi-Fi enabled. NISM has been carrying out a wide range of capacity building activities aimed at enhancing quality standards in the securities markets and for increasing participation therein, addressing various stakeholders of securities markets, keeping in view its purpose, as mentioned below:

“To develop NISM as a premier Institution recognized globally, for capacity building in the securities market ecosystem with the objective of enhancing quality, compliance, efficiency and effectiveness of participants in the market. This would be achieved through skill development, professional training and certification”.

MESSAGE FROM THE DIRECTOR

Dear Industry Leaders,

I am privileged to introduce the graduating class of the Corporate and Securities Market Compliance (CSMC) Executive Program at NISM. This distinctive one-year residential course uniquely blends the CS Executive curriculum with specialized training in securities market compliance.

Our program excels in preparing compliance professionals through a comprehensive approach. It covers CS Executive subjects while placing special emphasis on securities market regulations, issuer compliances, intermediary regulations and corporate governance. The learning method is application-based, incorporating industry interactions and practical experiences in a simulation lab, focusing intensively on market compliance aspects. Students gain direct exposure to regulatory frameworks and market practices. The program's key features include interactive live case study discussions with industry experts, immersive regulatory simulation exercises, and regular industry interaction sessions with market leaders, projects on emerging compliance challenges, and hands-on experience with modern techniques.

The graduating class comprises students from diverse academic backgrounds such as Commerce, Law, Management, and Economics. Each individual has undergone rigorous training to manage compliance responsibilities in various sectors, including listed companies, market infrastructure institutions, and securities market intermediaries. These professionals are now equipped to fortify your organization as compliance professionals.

We invite you to participate in our campus placements and support NISM's mission of developing a strong cadre of compliance professionals.

Our placement office is eager to assist you in connecting with these well-trained graduates. We look forward to your participation in our campus placement program.

Best regards,

Shri Sashi Krishnan

Director, NISM

Dr. Rachana Baid

Dean - Academics, NISM

MESSAGE FROM THE DEAN

Dear Industry Partners,

It is with great pride that I introduce the talented graduating class of the Corporate and Securities Markets Compliances (CSMC) Executive Program at the National Institute of Securities Markets (NISM). As a capacity-building initiative of the Securities and Exchange Board of India (SEBI), NISM is dedicated to developing professionals adept at navigating the complexities of the securities markets.

This program has been thoughtfully designed to cover a wide range of critical subjects, including Company Law integrated with SEBI (ICDR - Issue of Capital and Disclosure Requirements and LODR - Listing Obligations and Disclosure Requirements) Regulations, Taxation Laws, Intermediaries Compliance Laws, and various Commercial Laws. These core areas have been carefully crafted to align with current regulatory standards and market expectations, ensuring our graduates are fully equipped to excel in high-stakes professional environments.

Over the course of two semesters, students undertake rigorous NISM certifications, including Securities Markets Foundation, Mutual Fund Distributors, Depository Operations, Securities Intermediaries Compliance, Securities Operations and Risk Management, and Equity Derivatives. Additionally, they earn global certifications such as the Environmental, Social, and Governance (ESG) Course, Bloomberg Market Concepts (BMC), and Bloomberg Finance Fundamentals. Combined with hands-on experience using Bloomberg Terminals, these certifications equip students with real-time financial data analysis skills, a nuanced understanding of global financial trends, and practical expertise essential for addressing today's compliance challenges.

The program features an exceptional blend of faculty, highly qualified and experienced in-house academics, and renowned industry practitioners, providing students with deep insights into both regulatory frameworks and real-world market operations. NISM offers cutting-edge learning tools, including access to Bloomberg terminals, a sophisticated simulation lab for market training, and a world-class library stocked with extensive resources on securities markets.

The comprehensive training and certifications make our students invaluable assets to any organization seeking to strengthen its compliance, governance, and risk management frameworks.

We invite you to connect with these accomplished professionals and discover how they can strengthen your compliance, governance, and risk management frameworks. Our dedicated placement team is here to ensure a seamless recruitment process and foster valuable partnerships with esteemed organizations like yours.

Warm regards,

Dr. Rachana Baid

Dean - Academics, NISM

About ICSI

The Institute of Company Secretaries of India (ICSI) is a premier professional body, established under an act of Parliament (The Company Secretaries Act, 1980), to regulate and develop the profession of Company Secretaries. ICSI functions under the jurisdiction of the Ministry of Corporate Affairs, Government of India. The Institute provides top-quality education to the students of Company Secretaries (CS) Course and best quality set standards to CS Members.

Headquartered in New Delhi, the ICSI has a nationwide presence with four Regional Offices in New Delhi, Chennai, Kolkata and Mumbai, 72 Chapter Offices spread all across the country and Centre for Corporate Governance, Research and Training (CCGRT) in Mumbai, Hyderabad and Kolkata. The Institute also has six overseas centres at Australia, Canada, Singapore, UAE, UK and USA. With over 72,000 members and around 200,000 students, the ICSI has the largest membership and student base of Company Secretaries in the world.

As an inclusive body on the global governance map, the ICSI has been taking various initiatives for the growth and development of the profession. ICSI has been contributing to the initiatives of Government of India that have potential to excel the social-economic growth of India.

Corporate and Securities Markets Compliances (Executive Program)

CSMC (Executive Program) is a one-year residential program that provides students with exposure to a wide range of subjects covered in the CS executive program. In addition, the program includes added subjects related to listed issuers and securities market compliances such as an Overview of securities markets, Issuer compliances, Intermediaries Compliances, Derivatives, and corporate governance. The curriculum is carefully crafted and benchmarked with the best and contemporary texts.

The program also includes application-based teaching pedagogy and industry internship that serves as a strong foundation for further grooming and growth into various career paths in the corporate/ financial/ securities markets compliance role. CSMC students are positioned to take up a wide range of roles and responsibilities of compliance professionals with the listed companies, market infrastructure institutions, and intermediaries.

WHY HIRE CSMC STUDENTS?

- **Comprehensive Market Knowledge:**

- Students at NISM gain a thorough understanding of securities markets, financial products, and regulatory frameworks.
- They possess in-depth knowledge of compliance requirements and risk management in financial markets.
- They have a strong foundation in securities laws, SEBI regulations, and market operations.

- **Practical Skills & Professional Readiness:**

- Students receive hands-on training in compliance management and regulatory reporting.
- They work with real-world case studies and market scenarios.
- They are proficient in compliance monitoring tools and regulatory technology, and are trained to identify and mitigate compliance risks.

- **Industry-Aligned Curriculum:**

- The course is crafted in collaboration with industry experts and regulators.
- It is continuously updated to incorporate the latest market developments and regulatory changes.

- Emphasis is placed on blending theoretical knowledge with practical application.
- Relevant certifications are included to enhance understanding of securities market operations and compliance.

- **Advanced Practical Exposure:**

- They gain unique hands-on experience in the SMART lab (simulated trading in equities and F&O), alongside access to Bloomberg terminals and financial databases such as CMIE Prowess.
- Ready-to-Deploy Talent:
- Students require minimal training due to their industry-focused education.
- They are familiar with regulatory filing requirements and compliance procedures.
- They are well-versed in maintaining compliance documentation and records.
