

4 Week, Residential Program

Summer School

in Indian Securities Markets

(Skill Building and Industry Immersion Program for Students
of Partner Institutions)

**National Institute of
Securities Markets**
A Capacity Building Initiative of SEBI

About NISM

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI), the regulator of the securities markets in India. The institute carries out a wide range of capacity building activities at various levels aimed at enhancing the quality standards in securities markets.

NISM sprawling 72-acre campus with a serene environment and state-of-the-art infrastructure at Patalganga (near Mumbai-Pune Expressway) was inaugurated by Shri Narendra Modi, incumbent Prime Minister of India, on December 24, 2016. This scenic campus offers full-time residential academic programmes for postgraduate students, short-term training programmes and faculty development programmes for market participants.

NISM has embarked on a fast-track expansion of its activities, both domestically and internationally, which will position the institute as a leading global player in knowledge dissemination and skills enhancement in the financial market's domain. The campus boasts of state-of-the-art design, finance library, IT infrastructure, well-equipped classrooms, seminar hall, conference hall, etc. It also has an amphitheatre, ultra-modern auditorium and multipurpose hall, recreation facilities for various activities. The entire campus is Wi-Fi enabled. NISM has been carrying out a wide range of capacity building activities aimed at enhancing quality standards in the securities markets and for increasing participation therein, addressing various stakeholders of securities markets, keeping in view its purpose, as mentioned below:

“To develop NISM as a premier Institution recognized globally, for capacity building in the securities market ecosystem with the objective of enhancing quality, compliance, efficiency and effectiveness of participants in the market. This would be achieved through skill development, professional training and certification”.

Objectives

- 1. Exposure to Indian Securities Markets:** Introduce students to the rapidly evolving Indian Securities Markets.
- 2. Skill Development and Certification:** Equip students with the necessary skills and certifications for careers in Securities Markets.
- 3. Hands-On Experience:** Provide practical learning experience in the Securities Markets.
- 4. Industry and Expert Guidance:** Offer experiential learning opportunities from industry professionals and subject matter experts.
- 5. Networking Opportunities:** Facilitate networking with industry practitioners.
- 6. Regulator and Professional Interaction:** Enable interactions with Regulators and Market Experts through visits.

Key Highlights

- 150 Hrs. of learning (60 hrs. of classes + 30 Hrs. of lab sessions + 60 hours of project work, assignments and self-study)
- Learner centric pedagogical approach including **Simulation Labs & Bloomberg Terminal**, Industry projects, case studies and role plays using real life data
